

*Development*

White moves first

Now let me tell you,  
where are you trying to go?

You're battling for three things:  
time, space, and material

You're looking a little too  
tough for me man, you're  
looking too tough

Pop

If you ask the right questions, the answers  
will appear to you

Who owns that square?

Pop

Once it's clear, you move

Say again, where are you trying to go?

Are your babies protected?

Pop

Now you're back in the same space  
with half your time

He says you can't have anything,  
but we ain't runnin' here

Now let me tell you, the best defense  
in America is a good offense

Knight takes

You need material  
to cash

checks
